THUMB . . . Work around without increasing to the 2nd thumb-inc sp, make dc in the inc sp, ch 12, dc in inc sp of the first inc for thumb on previous rnd. FOREFINGER . . . Work around to safety pin of Forefinger at back of hand, ch 6 and continue around sps of forefinger on palm. Now continue working as for Thumb, making 3 sps over ch-6 between fingers for stretch, until finger when tried on, is 3 rnds less than desired length. Finish as for Thumb.

MIDDLE FINGER . . . With back of hand toward you, attach thread in last sp at base of Forefinger (between fingers). Work across sps on back of hand for Middle Finger, ch 6, and work across sps on palm for Middle Finger; make a sp in each sp at base of Forefinger (between fingers) and continue as before until finger, when tried on, is 3 rnds less than desired length. Finish as for Forefinger.

RING FINGER . . . Work as for Middle Finger.

LITTLE FINGER . . . With back of hand toward you, attach thread to last sp at base of Ring Finger (between fingers). Work around remaining sps, making a sp in each sp at base of Ring Finger and complete as for other fingers.

Tips for Crocheters

IMPORTANT . . . Be sure to buy at one time sufficient material of the **same dye lot** to complete the article you wish to make, as it is impossible to avoid slight variations in shade in different dye lots.

GAUGE . . . Before starting your article, make a small sample of the stitch. If your working tension is too tight or too loose, use a finer or coarser hook, to obtain the correct gauge.

TO LAUNDER COTTON ARTICLES . . . Before laundering, record all important measurements. Launder article in warm water, using a good neutral soap or soap flakes. *Do not use bleaching solutions!* Allow to dry thoroughly.
